Dear Dennis:

I would like to thank and personally congratulate you for your attendance at ASHI Inspection '94 held in San Diego, January 19-24, 1994. The 1994 conference was the largest in ASHI's history with a total attendance of 687. The numbers reflect an extremely positive response from the membership and point to ASHI's interest in the continuing development of individual educational and business growth.

Please accept this letter as acknowledgment (please keep for your records) to reflect attendance at ASHI Inspection '94, which satisfies 18 Membership Renewal Credits (MRC's) for all Certified ASHI Members for the 1994 calendar year.

As the new Executive Director of the American Society of Home Inspectors, I was very happy to meet many members and appreciated the many words of encouragement. I look forward to serving ASHI and to the development of the society, its mission statement, and professional integrity.

On behalf of the entire ASHI staff, I invite you to contact us personally if we can assist you.

Sincerely,

Joseph J. Martori
Executive Director
