Dear Dennis,

Thank you for attending ASHI's annual conference held recently in Las Vegas. We appreciate your support and trust in ASHI's educational programs for continuing education.

We hope you had the opportunity to attend as many of the concurrent sessions as you would have liked and perhaps, even participated in at least one of the many roundtable sessions that were offered. They were a big hit this year!

This year, Inspection '96 attendees have been awarded 18 MRC's. Please keep this letter as your "official" documentation of attendance. You will be required to submit a copy of this letter later this year.

Education session and conference surveys were included in your conference proceedings binder. If you haven't already done so, please take a few minutes to fill out each survey and forward them to Holly Vana at ASHI Headquarters. We value your input!

Have a great year and we look forward to seeing you at Inspection '97 in Palm Springs, CA.

Sincerely,

Danny Maynard
1995 Conference Chair
