Dear Dennis:

Thank you for attending ASHI's annual conference held recently in Palm Springs. We appreciate your support and trust in ASHI's educational programs for continuing education.

We hope you had the opportunity to attend as many of the concurrent sessions as you would have liked and perhaps, even participated in at least one of many roundtable sessions that were offered.

This year, Inspection '97 attendees have been awarded 18 MRC's. Please keep this letter as your "official" documentation of attendance.

Educational session and conference surveys were included in your proceedings binder. If you haven't already done so, please take a few minutes to fill out each survey and forward them to ASHI Headquarters. We value your input!

Have a great year and we look forward to seeing you at Inspection '98. You will be advised of the location in the near future.

Sincerely,

Pat Casey & John Palczuk
