Dear Dennis:

Thank you for your presentation to the Peabody MHFA program attendees last night. It's a very attentive group; and if everyone completes the program, we will award 46 certificates next week.

We are pleased to provide this program under the sponsorship of the Peabody Community Development and Planning Department, and hope that we have opened up new opportunities for those who might otherwise have never thought home ownership could be possible for them.

Sincerely,

Marianne Hernandez
Community Investment Assistant
